

FLEXIBLE IMAGING SYSTEMS

The **TradeWind** system leads the way in portable displays. This multi-panel tension fabric display offers exhibitors virtually limitless possibilities. **TradeWind** allows you to create a **3-D environment** with front to back graphics for a stunning visual impact.

**TradeWind** is a lightweight system, which maximizes versatility and visual impact. Its sleek, compact design and quick set-up make **TradeWind** a revolutionary advancement in the display industry.

Place a shelf on one of the sections and **TradeWind** not only highlights your message but also shows off your lighter-weight products.

**MAGNETIC SOLUTION**

Magnetic connector extrusions on middle hubs will engage opposing hubs to lock frame in expanded position.
