ASSEMBLY INSTRUCTIONS

- 1 Remove **QuickStand™** contents from the case – Telescoping Pole, Base Bar and Banner (attached to Top Bar).
- 2 Swing out the feet of the base bar and tighten the screws. Extend the Telescoping Pole half-way and twist the pole to lock it. **(Figure 1)**
- 3 Slide the bottom of the Telescoping Pole into the centre hole of the Base Bar. Rotate pole firmly to seat small pins into slots. **(Figure 2)**
- 4 Unroll the banner completely until the Top Bar is fully exposed. **(Figure 3)**
- 5 Insert the top of the Telescoping Pole in the centre hole located on the underside of the Top Bar. Unlock and extend the Telescoping Pole, leaving some slack in the banner. Apply bottom of banner to velcro on Base Bar. **(Figure 4)**
- 6 Extend the Telescoping Pole up until the banner is firm. Twist-lock into place the top portion of the pole. **(Figure 5)**
