

FLEXIBLE INACNC SYSTEMS

The **TradeWind** system leads the way in portable displays. This multi-panel format frame display offers exhibitors virtually endless possibilities. **TradeWind** allows you to create a **3D environment** with front to back graphics for a stunning visual impact.

TradeWind is a lightweight system, which maximizes security and visual impact. Its sleek, compact design and quick setup make **TradeWind** a revolutionary advancement in the display industry.

Place a shelf on one of the sections and **TradeWind** not only highlights your message but also shows off your lighter-weight products.
