

SMART BROCHURE HOLDER

The **Vision Display** is a free-standing system that can combine together with brochure holders or poster display components to meet your specific needs. A Stylish way of presenting your marketing messages.

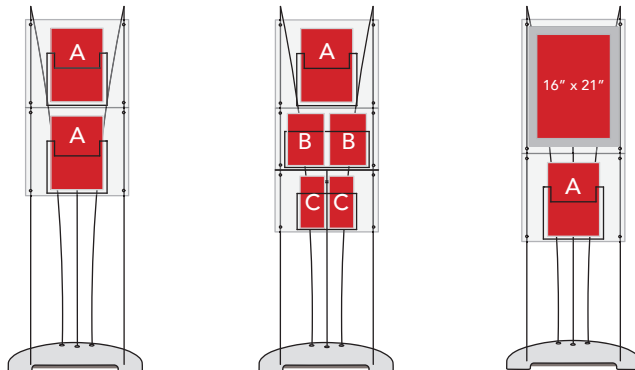

Vision Display Poster Holders can also be wall-mounted or suspended using stand-offs or cable tension kits. Standard sizes available are 16" x 21" and 21" x 27".

APPLICATIONS

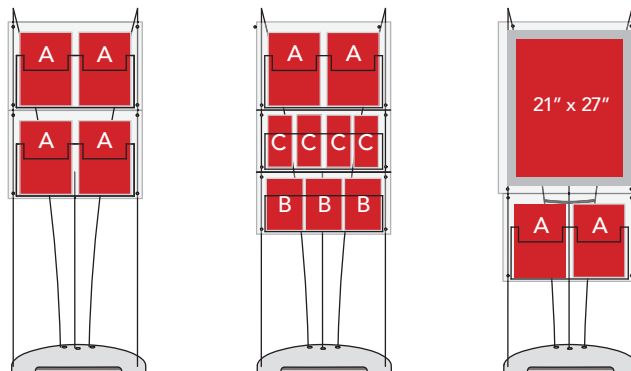

NARROW CABLE POSITION

Thread the two tension cables through the inner holes in the base plate.

WIDE CABLE POSITION
