

FLEXIBLE PRACTICAL STYLISH

Several different models can be linked to create a display grouping. Connect standard **D4** displays together using 24", 32" or 48" banners. All linking banners are 2" longer at the top and bottom to accommodate the linking cross bars attached above and below the side banners.

D4 LINKED

4 Standard Models

D4-L-76 76"x42" height 42 lbs.
D4-L-76 81"x42" height 42 lbs.
