

VERSATILE DISPLAY SYSTEMS

The **D4** is a free-standing portable banner system available in a wide range of graphic sizes. With a choice of either straight or curved banners, Displays can be used individually, in groups, or linked together to create graphic walls. The ideal choice for marketing and communications at exhibitions, conferences and events.

Features

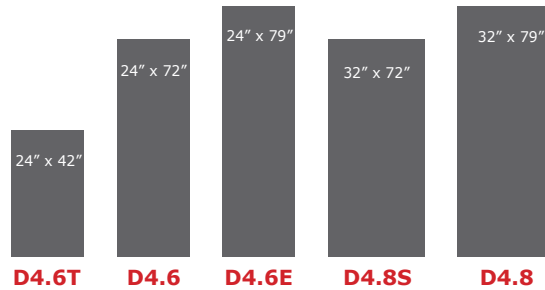

- ▶ Portable and assembles in under 3 minutes
- ▶ Simple, elegant design in various size options
- ▶ Single and double-sided graphics available
- ▶ Displays are stable and can be left worry-free
- ▶ Combines high-strength material with precision engineering
- ▶ Integrated light system
